CORDLESS AIRLESS SPRAYER

- Your sprayer will be ready to spray in seconds thanks to PROSPRAY™ piston pump technology. It delivers a comparable performance to professional corded sprayers.
- PROSPRAY technology provides a consistent, even spray pattern for one-pass coverage with a quality finish.
- This portable sprayer allows you to move around from one jobsite to another.

CAN BE USED AS:

- A maintenance gun to repaint objects
- A repair gun to cover up walls

Sprays a wide range of interior and exterior paints and is an ideal tool to spray rooms with different colour walls, ceilings, doors, radiators, furniture, carports, garden houses, etc...
